### OBJECTIVES AND ACTIVITIES

#### Objectives and aims

To promote humane behaviour towards animals and in particular horses and donkeys, by providing appropriate care, protection, treatment and security for animals which are in need of care and attention by reason of sickness, maltreatment, poor circumstances or ill usage, and to educate the public in matters pertaining to animal welfare in general and the prevention of cruelty and suffering among animals. To provide therapeutic activities for under privileged, handicapped and disabled children & adults, designed to improve their conditions of life, by arranging interactive activities with rescued donkeys and ponies.

Provision of a safe environment, medical care and rehabilitation for 33 horses, 68 donkeys and a few other animals. To enable disadvantaged children and adults to interact with donkeys and horses, groom and walk the donkeys and learn about their care, a mutually beneficial activity for both child/adult and donkey.

#### Significant activities

In 2015 The Flicka Foundation were beneficiaries when the Michael Elliott Trust Freshfields Donkey Sanctuary closed and received £512,395. The charity also took in twenty-five donkeys following closure, significantly increasing costs, this was evident in the increased vet visits this year. It has also heightened the profile and work load and 2 extra staff were recruited in 2015, one part time yard person in September 2015 and one part time administrator in November 2015.

£300,000 of this has been invested with Standard Life in 2015, where a £1,000 per month was earned in the year to assist with the hay and straw costs.

Open days during the year and the Christmas Carol concert raised £14,900, £5.500 was raised from a special appeal to save three baby donkeys and there was approximately 250 more adopters during the year.

In November 2015 a grant of £9,920 was received from Support Adoption for Pets for a donkey barn canopy, this was completed in May. An unrestricted donation from the Alexander Mosely Trust of £10,000 was received in June 2016.

An outside donkey 'playground' was completed by the end of 2015, an area consisting of rubber and hard core for a turnout area during the winter months.

The tea room opened generating income and a staff member was originally recruited during busier months but was supported by volunteers during the winter months due to the reduction in footfall through the gates. The opening times have since been covered by volunteers.
