REPORT OF THE TRUSTEES
for the Year Ended 5 April 2018

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

The Foundation was established by an initial gift from Leslie Herbert Alfred Smith. Members of the Smith family continue to be involved with the running of the Foundation. The Foundation does not actively fundraise and seeks to continue the philanthropic work desired by L H A Smith through the careful stewardship of its existing resources.

The Trustees aim to meet annually to consider and agree the broad strategy and areas of activity for the Foundation, including consideration of grant making, investment, reserves and risk management policies and performance. The day to day administration of grants and the processing and handling of applications prior to the consideration of the Trustees is delegated to the administrator.

New trustees are appointed by the existing Trustees. There is no minimum number of trustees set out in the Trust Deed. The Trustees keep the skill requirements of trustees under review. New trustees are encouraged to attend lectures or seminars intended to ensure that charity trustees maintain the necessary skills to continue the valuable work the Foundation does. The trustees respect the ethos of the Foundation and intend to continue the philanthropic work begun by L H A Smith.

Risk management

The Trustees have reviewed areas where potential and major risks may arise to the Foundation in accordance with the statement of recommended practice and have established systems and procedures to manage those risks. The Trustees consider there to be no significant areas of concern.

NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
for the Year Ended 5 April 2018

1. ACCOUNTING POLICIES - continued

Valuation of investments
Fixed asset investments are initially recorded at transaction value and revalued at the balance sheet date. The gain or loss is taken to the Statement of Financial Activities as an unrealised gain or loss.

Debtors
Other debtors are recognised at the settlement amount.

Cash at Bank and in hand
Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Liabilities and provisions
Liabilities and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Financial instruments
The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value.
