STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its constitution document, a deed of trust and which constitutes a Charitable Incorporated Organisation (CIO).

Risk management

The trustees have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the risks. The hall reserves remain secure with funds available to cover operational overheads. The hall has had a challenging year fulfilling most of its objectives. Bookings have remained steady for community uses, corporate meetings and other fundraising users. However, bookings for weddings have declined but forward wedding bookings for following year are increasing.

OBJECTIVES AND ACTIVITIES

CONSTITUTION, OBJECTS AND PRINCIPAL ACTIVITIES

The Charitable Trust was constituted by a Trust Deed conveyance dated 11 April 1932, as amended by an order of the Minister of Education dated 24 June 1960, and a scheme of the Charity Commissioners dated 10 September 2003. The Charity was registered on 29 October 1963 as Boxgrove Village Hall and Community Centre Registered Charity No. 305348. On 25 May 2016 a Charitable Incorporated Organisation (the CIO) registered No. 1167340, with same charitable purposes as previous Charity, was formed to assume

the assets and liabilities of Boxgrove Village Hall and Community Centre with effect from 1st July 2016. The charity number of the former Boxgrove Village Hall and Community Centre has been removed from the Charity Commission Register. The charity's objects and principal activities, having due regard to the trustees duty in Section 17(5) of the 2011 Charities Act concerning public benefit, during the period were as follows:-

1. To ensure the continued availability of the village hall for the members of the Boxgrove Community.

2. Letting the village hall to local users for community activities.

The objectives of the Boxgrove Village Hall & Community Centre CIO are to establish and maintain or assist in establishing and maintaining a multi-functional vibrant hall in Boxgrove Civil Parish for the benefit of the neighbourhood and other members of the public who desire to have use of the facilities.

Boxgrove Village Hall & Community Centre CIO has the additional purpose of providing or helping to provide facilities for the advancement of education and in the interest of social welfare, for recreation and leisure time occupation so as to improve the conditions of life for the inhabitants of Boxgrove Civil Parish and neighbouring communities.

The policies adopted in furtherance of these objects are to encourage the use of the hall by provision and maintenance of the facilities for use both by individual members of the community and by clubs and societies. In following these objectives, the trustees have had regard to the guidance issued by the Charity Commission.

Public benefit

The trustees of Boxgrove Village Hall and Community Centre CIO have complied with their duty as stated in their public benefit statement for the financial year ended 30 June 2018. They have achieved their purpose through education; the advancement of health; community development; amateur sport and other charitable purposes.
